## CHAPTER REVIEW QUESTIONS

Choose the letter that best answers each question.

1-1. Communication is the process of

- Keeping in touch.
- Broadcasting.
- Exchanging information.
- Entertainment by electronics.

### CRISIS AT A GLANCE

#### YESTERDAY

► Two aircraft carrier groups consisting of 17 ships and 16,000 sailors and Marines began leaving port for a two-week voyage to the Persian Gulf. The USS America and USS Theodore Roosevelt and their escort ships will join carrier groups in the region.

► In Beirut, Iraqi opposition groups announced plans to join in an effort to oust Saddam Hussein from power and perhaps prevent

a war over Kuwait.

► Iraq reportedly test-fired a Soviet-made Scud ballistic missile, causing US military commanders to send their troops to battle stations in the third such episode this month.

► The Pentagon confirmed that it will begin a program of inoculating some American soldiers against biological weapons that could be deployed by Iraq in a gulf war.

tions, which they consistently tried to get around, and it's not acceptable." Clinton added that if Saddam does not change his behavior that he is "prepared to do

ing president. Clinton's communications chief, George Stephanopoulos said Saddam "doesn't realize that there is no daylight between President Bush and

ney through the Virginia countryside to the nation's capital. "Saddam Hussein's continuing provocation has been met by appropriate and forceful response. I fully support Presi-

Iraqi fighter in the northern Iraq no-fly zone, Clinton press secretary Dee Dee Myers said. "He supports the action."
